We are getting BRACED for seeing patients!

What to expect at your next appointment:

1. Brush before you come and then no eating or drinking prior to being seen
2. Call when you arrive and you will be directed when to enter the office
3. Please wear a face covering when you enter the office
4. Teens and adults need to come alone, only one parent is to accompany a younger child- no siblings.
5. Temperature will be taken on anyone entering our office
6. Health screening form will be completed on anyone entering our office
7. A 30 Second mouth rinse will be required for the patient
8. Some of our staff may be wearing different PPE according to the procedures they are doing. We have always adhered to the guidelines provided and will continue to keep our staff and patient's health as a top priority.
9. Please follow the Exit signs to reduce patients crossing paths in our hallways
10. Next appointments will be scheduled by calling the patient/guardian immediately after leaving the appointment. No need to stop at the front desk.
11. If you have concerns about any of this, please contact the office BEFORE the appointment. Special arrangements can be made for those at higher health risk.
